# Indicative Annual Fee (16 units)

		2025
MASTER	International Economics and Finance / Economics	\$50,560
	Business	\$53,760
	Commerce	\$53,760

**For reference only**, based in AUD, refer to details at Program website <https://study.uq.edu.au/>

# UQ Global Connect Scholarship

## Scholarship under UQ Global Connect Scheme

- A 25% tuition fee reduction is available for TKU students who commence an approved credit transfer pathway at The University of Queensland for the duration of their UQ studies
- You will still need to cover your OSHC, your visa, expenses
- No need to apply but students shall be included in the TKU provided commencement student list each semester. Scholarship offer will be sent to the students to accept.
- Scholarship will be applied around orientation and after students complete enrolment

*^ students must be international students, meet UQ program entry requirements, not hold any other UQ scholarship and agree to the scholarship terms and conditions*

# Application

[apply.uq.edu.au](http://apply.uq.edu.au)

*Recommended application time:*

*30 September for the following Feb Semester 1 commencement; OR*

*28 Feb for the July Semester 2 commencement*

## Apply Directly

- **Approach TKU contact for detailed process and the Application Fee Waiver Partner code**
- **Documents Required:**
  1. Passport
  2. Bachelor degree award & academic transcript;
  3. Master's program transcript
  4. IELTS/TOEFL copy or Medium of Instruction (MOI) Letter issued by recognized university

**\* Full four semester transcript shall be sent before UQ commencement for full credit transfer**

**\* No Interview is required for application**

## Using UQ Approved Agents

For assistance with this process, you can enlist the help of a UQ approved agent.

<https://study.uq.edu.au/contact/find-approved-uq-agent-near-you>

Application documents (item 2 & 3 on the left) should still be certified by TKU-UQ 1+1 Contact

## FAQ: Do I need to complete the specified 4 courses before applying for this dual degree program?

The passing of the specified four courses are for credit transfer to UQ relevant Master degree so as to shorten the student's study at UQ and save tuition fees but these courses are not for entry to the UQ degree.

- These courses are not deemed to satisfy the entry to the degree.
- If the students fail or don't study those courses, they still can apply for our Master program but need to meet our Master degree entry regardless.
- But they can't transfer the credit for those courses they haven't studied or completed, that means they will need to study them in UQ and lengthen their UQ degree to longer than 1 year.

# FAQ: Can I apply for this Dual Masters if I don't come from the relevant discipline background

**Yes, certainly you can apply. There are two following options.**

## 1. 1 + 1.5 option:

- Apply for UQ standard 2-year relevant Master program (course list [here](#)) for any background students. But it's likely that the student needs to study 1.5 years instead of 1 year at UQ because compared to 1.5 years reduced duration UQ Master program, the student needs to study more foundational courses (e.g. three more such courses in MBus, four in MIntEcon&F) unless eight courses (up to 1 year maximum) can match UQ Master program.

## 2. 2 + 1 option:

- Graduate first from TKU Master degree first (e.g. MBA) and use this Master to meet the relevant discipline requirement for the reduced duration UQ Master program. This way it becomes 2+1 arrangement.

# FAQ: Are there internship opportunities with companies in Australia?

**There are many internship opportunities, yet it's not automatically given.**

- UQ and BEL Faculty have many initiatives to boost their employability during their study at UQ. Further details please refer to the UQ Fast Facts document and our Faculty's Careers and Employability website <https://bel.uq.edu.au/for-students/careers>
- If you have a student visa, you can work:
  - up to 48 hours per fortnight (2-week period) during university semesters, and
  - full-time hours during vacations.
- This 1+1 doesn't meet the current post study work visa requirement. I suggest the student talk to the UQ Union visa officer (<https://uqu.com.au/student-advocacy-and-support/>) or approved migration agents for more advice on work visa or immigration.

# FAQ: Is there medical insurance coverage while studying at UQ?

**Yes, all international students studying on a student visa must have Overseas Student Health Cover (OSHC).**

- For details, please refer to UQ website Overseas Student Health Cover (<https://study.uq.edu.au/university-life/getting-prepared-to-come-to-australia/overseas-student-health-cover>) .
- The student can ask UQ to purchase this cover when he or she applies online.

# FAQ: What are the grading standards for most courses at UQ?

- UQ's grading standards is [here](#) in UQ website with 4 as pass and 7 high distinction.
- Each course will have its syllabus published on the website indicating its homework and exams and student can click each individual course in the course list for UQ relevant Master program to access the latest course outline to understand this course requirement

# Support Services available

## BEL Student Centre

Assistance with enrolment planning, study advice, study progress and making advisor appointments.

## Study Plan Advice

Contact Advisors in Business School, School of Economics or School of Law
