

1+1 UQ Master of Business Articulation between UQ Business School and  
TKU Department of International Business

The following TKU MBA courses are recommended for the maximum credit of four courses (#8 units) towards the Master of Business with a reduced program duration of 1.5 years. This duration will apply to students with a completed bachelor's degree (or equivalent) in a relevant discipline (Definitions of "relevant discipline" available [here](#)).

Tamkang University Courses	UQ Courses
<b>Students interested in the UQ Master of Business are required to complete any 4 of the following courses. Credit will be allocated either towards a specified field of study or used as general electives. Where possible credit transfer will reduce the program duration at UQ to one (1) year.</b>	
Seminar in Marketing Management (Required)	MKTG7501 Fundamentals of Marketing (Marketing field of study)
Consumer Behavior	MKTG7503 Consumer & Buyer Behaviour (Marketing field of study)
International Strategic Management	IBUS7302 Operating International Business (International Business field of study)
International Supply Chain Management	IBUS7316 International Supply Chains (International Business field of study)
Research Methodology (Required)	#2 units of unspecified elective credit
Marketing Planning and Strategy	#2 units of unspecified elective credit

Note:

1. This assessment was undertaken in May 2021 and will be due for renewal in 3 years' time according to UQ credit policies. Students are advised to check UQ Credit Precedent Database for TKU (<https://creditprecedents.app.uq.edu.au/precedent/search-by-institution-and-course-or-program/institution/Tamkang+University>) for review date of the course.
2. The above 1+1 articulation is correct at time of printing but may be subject to change and should only be used as a guideline.
3. Students are required to seek assistance from a postgraduate advisor within the UQ Business School (email: [info@business.uq.edu.au](mailto:info@business.uq.edu.au)) upon their arrival at UQ to finalise their study plan. The sample program plan for the 1.5-year Master of Business degree is available via the UQ Business School website (<https://business.uq.edu.au/students/program-course-advice>).
4. Fields of Study: The Master of Business program does not assume prior knowledge or training in the available fields of study/major. If you've studied in a related discipline, consider if each field of study will extend your expertise and support your career plans. Students are required to complete at least half of the required courses in the field of study/major at UQ to be awarded the field.  
\*Students completing the Supply Chain Management field of study will only be eligible to transfer 4 units of credit due to advanced standing for studies completed through MITx MicroMasters Program in Supply Chain Management.

\*Students completing the Information Systems field of study may be required to complete three semesters at UQ due to pre-requisites.

5. UQ Master of Business program details, entry requirements and available fields of study: <https://study.uq.edu.au/study-options/programs/master-business-5583>
6. Students will receive 8 units of recognised prior learning (RPL) credit based on relevant discipline entry requirements, reducing the duration from two years to 1.5 years. RPL credit received will count towards FINM7409, MGTS7301, MGTS7608 and 2 units general elective. Up to an additional #8 units of credit will be applied to UQ Master of Business program if students have completed the comparable courses in TKU. Students may be able to choose two fields of study depending on credit awarded.

1+1 UQ Master of Business or Master of Commerce or Master of Business  
Articulation between UQ Business School and TKU Department of  
Management Sciences

*The following TKU MBA courses are recommended for the maximum credit of four courses (#8 units) towards the Master of Business or Master of Commerce with a reduced program duration of 1.5 years. This duration will apply to students with a completed bachelor's degree (or equivalent) in a relevant discipline (Definitions of "relevant discipline" available [here](#)).*

Tamkang University Courses	UQ Courses
<b><i>Students interested in the UQ Master of Business are required to complete any 4 of the following courses. Credit will be allocated either towards a specified field of study or used as general electives. Where possible credit transfer will reduce the program duration at UQ to one (1) year.</i></b>	
Operations and Supply Chain Management	IBUS7316 International Supply Chains (International Business field of study)
Internet Marketing Planning	ADVT7507 Digital Advertising Strategy (Advertising field of study)
Organization Behavior	MGTS7601 Managing Organisational Behaviour (Human Resource Management field of study)
Seminar in Human Resource Management	MGTS7603 Strategic Human Resource Management (Human Resource Management field of study)
Intelligence for Entrepreneurship Management	TIMS7301 Principles of Entrepreneurship (Innovation and Entrepreneurship field of study)
Investments (Recommended for UQ Master of Commerce)	FINM7403 Portfolio Management

Note:

1. This assessment was undertaken in August 2021 and will be due for renewal in 3 years' time according to UQ credit policies. Students are advised to check UQ Credit Precedent Database for TKU (<https://creditprecedents.app.uq.edu.au/precedent/search-by-institution-and-course-or-program/institution/Tamkang+University>) for review date of the course.
2. The above 1+1 articulation is correct at time of printing but may be subject to change and should only be used as a guideline.
3. Students are required to seek assistance from a postgraduate advisor within the UQ Business School (email: [info@business.uq.edu.au](mailto:info@business.uq.edu.au)) upon their arrival at UQ to finalise their study plan. The sample program plan for the 1.5-year Master of Business degree is available via the UQ Business School website (<https://business.uq.edu.au/students/program-course-advice>).
4. Fields of Study: The Master of Business or Master of Commerce program does not assume prior knowledge or training in the available fields of study. If you've studied in a related

discipline, consider if each field of study/major will extend your expertise and support your career plans.

Students are required to complete at least half of required courses in the field of study/major at UQ to be awarded the field.

\*Students completing the Supply Chain Management field of study will only be eligible to transfer 4 units of credit due to advanced standing for studies completed through MITx MicroMasters Program in Supply Chain Management.

\*For students who have previously undertaken studies in accounting, entry to the Professional Accounting field of study in the Master of Commerce will only be considered for students not accredited with CPA Australia and/or Chartered Accountants Australia New Zealand associate memberships.

\*Students completing the Information Systems field of study may be required to complete three semesters at UQ due to pre-requisites.

5. UQ Master of Business program details, entry requirements and available fields of study: <https://study.uq.edu.au/study-options/programs/master-business-5583>
6. UQ Master of Business students will receive 8 units of recognised prior learning (RPL) credit based on relevant discipline entry requirements, reducing the duration from two years to 1.5 years. RPL credit received will count towards FINM7409, MGTS7301, MGTS7608 and 2 units general elective. Up to an additional #8 units of credit will be applied to UQ Master of Business program if students have completed the comparable courses in TKU. Students can only choose one field of study and are required to complete at least #16 units of study at UQ Master of Business program.
7. TKU students can explore articulation with UQ Master of Commerce on a case-by-case basis. UQ Master of Commerce students will receive 8 units of recognised prior learning (RPL) credit based on relevant discipline entry requirements, reducing the duration from two years to 1.5 years. RPL credit received will count towards 8 units general elective.
8. If UQ Master of Commerce is the targeted TKU articulated program, the remaining duration at UQ after the above credit transfer will depend on previous exemptions or credit transfer for UQ required core courses in this program namely ACCT7101 Accounting, FINM7401 Finance, ECON7002 Economics for Commerce or BISM7202 Information Systems for Management.
9. UQ Master of Commerce program details, entry requirements and available fields of study: <https://study.uq.edu.au/study-options/programs/master-commerce-5584>
